Dear Posey:

I am answering both your letters at this time. The first one you spoke of my request to Sonny to come to New York. I don't know what you meant by don't do any thing drastic. Pompey and I wanted Sonny to come and talk over some things that had nothing to do with any individual. The things I had in mind were all pertaining to the league. Your letter was the first information I had that any thing was wrong about the Atlanta - Elite deal.

Now about the trip to Chicago, I think we should go to the meeting by all means, but I think we should all be interested enough to pay our own expenses. Of course it would be even better to have a joint meeting in Pittsburg. That is a central point, but if the west has already decided on Chicago, I will go there. I will expect to hear from you on this.

About the money due you. I am enclosing check for \$11.75 expenses to Oct. 17th., and one for \$55.00, railroad fare to Phila. in April, and New York in August. This means fare for you and Sonny were both paid in August. This just about empties the treasurer, as the balance of the money in it is being held pending the outcome of the suit against Greenlee.

Very Truly Yours
